Art 365

Give Art Its Day!

Art 365 is a campaign designed to fund the work of Valley Art Gallery for its members, the art community, and for the community as a whole, while encouraging an affordable sponsorship opportunity.

Sponsorship members are listed in our quarterly newsletter, *Valley Art Gallery News* and on our website. Individual sponsors pay only \$33 per year and a business sponsor pays \$99 and receives an ad.

Valley Art Gallery maintains two galleries for its members to display their artwork: **Valley Art Gallery at the Santa Maria Airport and at 125 W Clark in Old Orcutt.**

Members are encouraged to exhibit their artwork at both venues. Our Old Orcutt location is available for tours to local elementary, high schools, scouting organizations and other clubs that express an interest in art. We also grant an annual scholarship of \$1,000 to a local visual art student.

We feature one artist each month, allowing the artist to display a cohesive body of work. The featured artist's exhibit is launched each month at the First Friday event in Old Orcutt.

Members are invited to participate in committees, board membership, and other ways of supporting the gallery. Lasting friendships develop among our members.

Please consider a **sponsorship of \$33** to ensure that the Valley Art Gallery can continue to provide a place for art in our community. **Business card ads with website links are available at \$99 per year.**
