Andrew Klein, Member at Large

## Art 365 - Give Art its Day

Art 365 is a campaign designed to fund the work of Valley Art Gallery for its members, the art community, the community as a whole, while encouraging an affordable sponsorship opportunity.

Valley Art Gallery maintains two galleries for its members to display their artwork: Valley Art Gallery at 125 W. Clark in Old Orcutt and at the Santa Maria Airport. Members are encouraged to exhibit their artwork at both venues.

In addition to the \$1000.00 scholarship given to a local visual art student each year, Valley Art Gallery Orcutt is available for tours to local elementary, high schools, scouting organizations and other clubs that express an interest in art.

Valley Art Gallery Orcutt features six themed art shows that are paired with featured member artists or guest artists. The airport gallery has six non-themed shows in the public space at the Santa Maria Airport.

Please consider becoming a Valley Art Gallery patron to ensure our mission to provide art in our community.

Sponsorship patrons are listed in our quarterly newsletter, *Valley Art Gallery News* and on our website. Individual patrons invest \$33 per year. Business patrons invest \$99 and receive a business card endorsement linked to their websites.
